

## MISSISSIPPI STUD

Mississippi Stud is a five-card Poker game that lets you bet up to 10 units on a single hand. You compete against a pay table, not against the dealer. You win if your hand is a pair of Jacks or better. The top payout is 500-1 for a Royal Flush. And it pays on all bets.

Make an Ante bet to receive your first two cards. The dealer will place three community cards face down in the middle of the layout. At this point, you may fold or make the 3rd Street bet of 1-3x your Ante. Once the dealer reveals the first community card you can choose to fold or make the 4th Street bet of 1x-3x your Ante. The dealer then reveals the second community card. Once again, you can fold or stay in the game by making the 5th Street bet from 1x-3x your Ante. NOTE: When you fold, you forfeit all bets left in action.

After the dealer turns over the final community card, he resolves all wagers left in action. You win if your five-card hand is a pair of Jacks or better. (Pairs of 6's-10's push.) See payout schedule for odds.
